

# Clorius Information on Atmosphere Explosible "ATEX" Directive 94/9 EC

## Manufacturer:

Company Name: Clorius Controls A/S  
Address: Tempovej 27  
2750 Ballerup  
Denmark  
Tel. Web.: +45 77 32 31 30 [www.cloriuscontrols.com](http://www.cloriuscontrols.com)

## Products:

Name:

Regulation valves type G-H-L-M, Thermostats type V2-V4 and V8 and cooling units type KS4, KS5, and sensorpockets.

The above mentioned items have been assessed with regards to their suitability for use in potentially explosive atmospheres as specified in the Directive 94/9/EC, and found that they do not have their own potential sources of ignition, described in Annex II section 1.3, and therefore they are not covered by the directive. According to Article 10, section 3, these products must not be CE marked in relation to the Directive 94/9/EC. On the proviso that the products are used in accordance with their intended purpose as specified in Clorius Controls data sheets there is no limit in the use of above mentioned products in explosive atmospheres.

With reference to EN 13463-1 section 11, please be aware of that all conducting parts of equipment shall be arranged such, that a dangerous potential difference cannot exist between them, and that the system is proper earthed.
